28/4/39.

After calling for applications and observing all the formalities as per rules, we issued approved lists to certain D.E.O's units for appointment as II class middle School Teachers. At that time forecasts were called for, the D.E.O Gadag did not want any B list. That was about 7-8 months ago. Now, that D.E.O wants a B list. If the D.E.O had taken trouble and sent up a well thought out forecast, this contingency would not have arisen.

now to notify and call for applications for this single unit would involve some additional work and also all sorts of candidates in service or unemployed will apply and as the selection is small, drafting an approved list will be very exacting. Therefore the following proposal is ~~now~~ submitted for orders:—

At the time of issuing approved lists of the kind on the last occasion, the ~~can~~ names of candidates whose native place was Tumkur, were included in the lists of adjoining districts like Kadur and Hassan. In the lists of Hassan and Kadur D.E.O's, there are 47 and 45 candidates. Of these, 13 in the Kadur D.E.O's list and 20 in that of the Hassan D.E.O's are natives of Tumkur dist. Each of the 13 and 20, 10 from the Kadur list and 10 from the Hassan list, may be transferred to the unit of the D.E.O Tumkur. The candidates remaining in the lists of Kadur and Hassan will be sufficient for some time and also the requirements of the D.E.O would be solicited for the

All these forecasts will be ~~were~~ consolidated and a notification will be issued, if found necessary, after the S.S.L.C. and other public exn results are ~~are~~ announced.
